4. All sales held by the subordinate official in charge are subject to the confirmation of the Superintendent, Government Gardens and Parks in Mysore, who reserves the right of accepting or rejecting any bid without assigning any reason therefor.

5. After the removal of the crop, the purchaser should keep the place clean. Any damage done to Government property should be made good by him.

6. Each bidder should see the plants before the auction and satisfy himself and any complaints received thereafter regarding the crop will not be entertained.

7. In cases of complaints preferred by the purchaser, the decision of the Superintendent, Government Gardens and Parks in Mysore, Bangalore, shall be final.

M. K. SITARAM CHETTY,
Superintendent.

MYSORE CIVIL VETERINARY DEPARTMENT.

Abstract Notification, dated 22nd October 1936.

The attention of the public is invited to detailed notification No. R. 88-225—35-36, dated 22nd October 1936, published on page 1761, of Part VI of the *Mysore Gazette*, dated 29th October 1936, regarding the auction sale of empty tins.

K. KRISHNIENGAR,
Superintendent.

MYSORE RAILWAYS.

Notification dated 30th October 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Senior Executive Engineer, Mysore Railways, Mysore, on any working day upto 3 P.M. till Monday the 7th December 1936, for Constructing a building for installing the Air Compressors in the Central Workshops area at Mysore.

2. The quantities given in the schedule are only approximate and are liable to alterations, omissions, deductions, or additions, at the discretion of the Executive Engineer, or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the enclosed schedule.

3. The work should be completed within the 31st May 1937.

4. Detailed estimates, plans, specifications, conditions of works and conditions of Schedule Agreement may be seen at the Senior Executive Engineer's Office, Mysore Railways, Mysore, on all working days between 2-30 P.M. and 4-30 P.M. Whne in doubt the tenderers should always ask for particulars and details.

5. Tenders should be submitted on printed forms, which should be obtained in ample time from the Senior Executive Engineer's Office on production of a receipt for payment of Rupee one to the Auditor, Mysore Railways, Mysore.

6. Every tender must be accompanied by an earnest money of Rs. 250 which should be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender and should be superscribed "Tender for constrcting a building for installing the Air Compressors in the Central Workshops area at Mysore" in default of which the tenders will be rejected. Tenderers who have not done work previously in this Department, should produce certificates from authorities regarding their capacity for work and execution. Tenders not submitted on printed forms will be rejected.

7. The earnest money of the rejected tenders will be returned as early as possible after the tenders are disposed of, and in the case of the accepted tender, it will be held as a part-security deposit under Clause 4 of the Schedule Agreement referred to in para 10.

8. The final acceptance of any tender will rest with the Agent, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender or any portion of a tender.

9. The name of the contractor whose tender has been accepted, will be posted on the Notice Board in the Senior Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be answered.

10. Within eight days of the acceptance of the tender, the successful tenderer is required to execute the usual Scheudle Agreement, in default of which his tender will be considered as cancelled and the earnest money forfeited to Government.

11. Quotations must be given in words as well as figures and they must be in specific terms of unit shown against each item of work.

12. There should be no corrections or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. Rates once tendered cannot be enhaced on any account. Rates for non-tendered and non-estimated items shall be as per minimum Schedule of Rates of the Railway Department and for items not provided for in the schedule of rates the rates will be fixed by the Eecuitve Engineer after working out data with ten per cent for contractor's profit.

14. The whole of the work specified in the Agreement should be completed as specified in para 3. Failing which or failing to carry out any of the conditions in the Agreement, the whole of the money held in deposit or so much of it as the Agent, Mysore Railways, considers proper will, without prejudice to any other legal or equitable right or remedy which the Agent may have, be absolutely forfeited to the Agent, Mysore Railways, Mysore.

15. Should any dispute arise in the interpretation of the clauses of the tender or in respect of any item of work or specification, the decision of the Superintendent, Way and Works, Mysore Railways, Mysore, shall be final.

16. The accepted tenderer must make his own arrangements in advance for payment of Royalties etc., in case the quarries stone, earth, kunkar, sand, etc., from Railway, Governemnt or Forest land for use on this work, as this Department will not concern itself regarding the payment, recovery, etc.

17. No claims for damages, for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for work. Extension of time due to delays caused by the departmental officers will however be considered on the merits of each case.

18. The contract should not be sublet.

19. Works should be executed in general as per Marryat's Specifications.

20. Contractors should make their own arrangements for the supply of water.

21. It should be noted that the quantities noted in the Schedule for doors, windows and ventilatore are inside clear dimensions only.
